Progress Report

Name: Wambwa Dan

Course: Symbolic Math Onramp

Progress: **100%** complete (as of 16 September 2026)

Chapters

1. Introduction **100%**
2. Symbolic Variables **100%**
3. Mathematical Expressions with Symbolic Variables **100%**
4. Define and Solve Symbolic Equations **100%**
5. Algebraic Manipulation and Simplification **100%**
6. Working with Assumptions **100%**
7. Working with Units of Measurement **100%**
8. Symbolic Functions **100%**
9. Visualize Symbolic Functions and Equations **100%**
10. Review Project I **100%**
11. Calculus with Symbolic Math **100%**
12. Review Project II **100%**
13. Next Steps **100%**
